Any other comments:

My child loves coming to school, staff are always happy and welcoming. We are so lucky to have a place at Kemball.

School go above and beyond to help support my child, we're very lucky.

When my child 1st started school he wasn't very well behaved he's manage to turn that around with a great school and home support network...Highly recommend Kemball

Absolutely amazing.

The School provides a very happy environment for Children to thrive. The Staff are pleasant, show a lot of care towards the Children and the Children always seem in good spirits! All in all, a Very Good School.

My child has made lots of progress since he started he loves going to school staff are amazing people ♥♥

We are very happy with Kemball and love the school and all the staff we encounter (not just those in our class) are very friendly and welcoming - thank you!

Kemball is honestly the most welcoming and nurturing school. My child thrives at this school he is supported in learning whilst allowed to be himself

An amazing school, my child has settled so well and loves going. Thank you

An amazing team, making an incredible difference. Thank you Kemball for giving our daughter a place where she truly belongs

The headteacher is amazing and truly thinks of every child as an individual. The management team does an incredible job, and every learning pathway is designed perfectly to meet each child's needs. My child has made tremendous progress, thanks to all the teachers and support staff — but it all comes down to the outstanding leadership here. This really is an outstanding school. Thank you so much.

Our child has been at Kemball for 2 years now, she is so happy to go to school. We are very lucky all of our child's teachers are amazing and really care about what is best for her even on her unsettled days, I can't wait to see how much more she develops over the years, thank you to Lisa for leading such an amazing safe school for my precious daughter.
